SKILLS

Web Development

CI with Github Actions

Passion for teaching and learning

Teamwork

LANGUAGES

English - Conversacional
Minimum Professional Proficiency

Español - Native

PROFILE

In my two years of experience as a junior developer of web applications and web pages, it could be of interest, since I have knowledge in languages such as:

- Javascript
- HTML
- CSS
- React.js
- Next.js
- Github
- Docker
- Tailwind
- MongoDB

My teamwork, and my love of learning and sharing knowledge is very beneficial in an organization that aims to grow.
